About Us

We at Krishna Solar System are committed to making a positive impact on the environment by providing high-quality, sustainable solar products. We believe that renewable energy is the key to a greener future and we are dedicated to helping our customers reduce their carbon footprint while saving money on their energy bills. Established in 2018, we are a reliable manufacturer and supplier of Eco Solar Zatkan Machine, Ketra VRLA Battery, Automatic Voltage Stabilizer, Solar Ceiling Fan With Regulator and many more. Our products are designed to work seamlessly together to provide a complete solar energy solution. These products are used in various homes, businesses, and communities across the country.

At our organization, we are passionate about creating innovative solar products that are efficient, reliable, and easy to use. We use only the best materials and technologies to ensure that our products are durable and long-lasting, making them a smart investment for both homeowners and businesses. At our core, we value transparency, integrity, and customer satisfaction. We place our best efforts to make sure that our customers are completely satisfied and their queries are solved on time. Furthermore, we are supported by a superior packaging unit which allows us to pack our products in an effective manner and enhance the experience of our customers.

Key Facts

No of Staff	4
Year of Establishment	2018
OEM Service Provided	No

Our Products

VRLA Battery

15KV Eco Solar Zatka Machine

Luminous Solar Charge Controller

Solar Semi Integrated Street Light

Voltage Stabilizer

Luminous Solar Inverter

NXG 1625 Luminous Solar Inverter

BLDC Solar Ceiling Fan

All In One Solar Street Light

Solar DC Fan

Ketra VRLA Battery

Solar SMF Battery

Luminous Solar Hybrid PCU Inverter

Ketra Solar Panel

Polycrystalline Solar Panel

BLDC Solar Ceiling Fan With Regulator

ADDRESS

Plot No. 6, Mahasukh Chember,
Janiwada, Opposite HDFC Bank,
Gandhi Road, Ahmedabad,
Gujarat, India (380001).
